To

The Circle Heads/IFAs,
All BSNL Circles

Subject: Reconciliation/Verification of Pension Contribution paid to DoT and Claims Recoverable on account of Excess payment of Pension Contributions.

Dear Sir/Madam,

On the Subject cited above, it is intimated that this office is continuously taking up the matter with DoT for implementation of Pension contribution on **existing basic pay** as per **DoP&T OM no. 2/34/2008-Estt. (Pay.II) dated 19.11.2009**.

In this regard the DoT has desired to submit the Financial Impact of Change of Methodology of Payment of Pension Contribution in Respect of Employees of DoT Absorbed/Un-absorbed in BSNL.

The matter was taken up with ITPC for extraction of HRMS data w.e.f. 01.01.2007 and with FICO team from the period, the pay is being generated through centralized ERP Package. The circle wise data of Pension contribution generated from the HRMS package and ERP-SAP w.e.f. 01.01.2007 to Apr-2025 is enclosed.

It has been observed that the HR pay package was implemented after Jan-2007 at different points of time by all the then called SSAs in their Circles. Before switching over to HRMS pay package, the pay was being processed by the then SSAs through different type of local packages. It is also worth to be mentioned here that the pension contribution of all absorbed/Un-absorbed employees of BSNL is being paid by BSNL circles directly to the concerned CCA cell, since the formation of BSNL.

Therefore, the data extracted from centralized pay packages (i.e. HRMS and ERP-SAP) needs to be reconciled with the pension contribution amount actually paid by circles to their concerned CCA cell of DoT.

In view of above, all circles are requested to verify the data and submit the claims recoverable on account of excess paid Pension contribution in the prescribed format enclosed as Annexure-A by 31.05.2025 positively on email id pcic.bsnl@gmail.com.

The matter may be given on top priority

P.G.M (EF)
