Sub Request to immediately upload crucial tests BRCA 1 and BRCA 2 in the inventory of CGHS

Respected Sir

BRCA 1 and 2 mutation testing is available under CGHS, with specific tests and procedures outlined in Schemes Guidelines for Treatment of **BRCA RELATED CANCERS**.

If a Beneficiary is diagnosed with **CANCER ASSOCIATED WITH BRCA MUTATIONS**, CgHS will cover the necessary treatment, including Surgery, Chemotherapy, and other related Therapies

Unfortunately, BRCA 1 and BRCA 2 are not loaded in the Inventory of CGHS, and this Association has received representations from good number of Beneficiaries where BRCA 1 and BRCA 2 Tests were denied to the Beneficiaries by WCs.

Being a Life Threatening Disease, it is requested to please cause issuance of necessary instructions on priority for uploading these critical tests in the CGHS INVENTORY

We are confident that this issue will receive your prompt, kind and serious intervention for very obvious reasons.

Warm Regards
Sincerely Yours

(G. L. Jogi)
