Sub Continued, unethical and unfair inordinate delay in payment of Salaries to Consultants

Ref SNPWA/CHQ/AS& FA CGHS/1/25. Dated 18th Oct, 25.

Sir

Continuing apathy and insensitivity of CGHS HQs in withholding the payment of Consultants in WCs is having a deleterious impact on the functioning of WCs for very obvious reasons. This unwarranted and unexplained delay to withhold the salary of Consultants for more than three months is causing widespread demotivation and demoralization amongst them, thereby adversely likely to impact the services.

What is incomprehensible is, while CGHS is saving huge money by engaging Consultants instead of Regular Doctors, and that these Consultants are providing services as hasslefree as M.Os, the justification in withholding the salary for as long as three months is not only unfair, unjust but highly against labour practices.

This indifference, insensitivity and callousness of CGHS Authorities is deserves nothing short of severe Condemnation.

As far as this Association is concerned, it is intervening to ensure that Beneficiaries are not impacted because this kind of unwarranted action is bound to have recoiling and cascading effects on functioning of WCs, besides being highly unethical and unjust.

You are, therefore, requested to intervene personally in the matter, and ensure payment of Salary to Consultants on regular basis. Believe you will treat this matter with the kind of seriousness that it deserves.

Regards

Sincerely Yours,
